Premiums - Best of Class - \$2.00 & Judges Choice - \$3.50

The purpose of this flower show is for the education and enjoyment of all who view the show as well as the exhibitors. This division is open to amateurs only. A professional is defined as one who earns their livelihood from their skills. All entries accepted Tuesday July 26<sup>th</sup> between 8:00 -10:30 AM and in place by 11:30 AM. People from surrounding communities may send in entries early and pick up tag on entry day. For Best of Class and Best of Show awards, preference will be given to those entries that have (where indicated) the name/variety of the plant listed.

## Helpful Hints for Exhibitors

- Place specimens in clear uncolored clean glass containers where indicated.
- Do not choose spent or faded flowers, instead choose fresh flowers.
- Remove or trim outer petals and foliage that show insect or weather damage.
- Use supports that do not show for holding stems of large flowers like sunflowers in displays or arrangements.
- To allow the flowers to “condition”, cut and place immediately into water the evening before the show
- Do not allow mechanics of any kind, such as oasis, filler, frogs, etc. show in an arrangement. Wedging material (e.g. clear plastic wrap) can be used to hold specimens upright.
- List name/variety on entry tag where indicated.
- Use soft make-up brush to clean up debris on blooms or plants.
- Remove any foliage that is going to be under water.

**Design** - Design in the form or shape of the arrangement. To qualify as being of acceptable design the composition must possess unity, scale, and accent. A good design which pleases the eye contains balance, harmony, and rhythm. When choosing containers, the container should complement the flower design. Flower arranging is a serious art form. # 2022 Louisa County Fair Quilt Race Returns

*This event is open to all ages. It does NOT require quilting skills.*

*Contestants will simply be sewing straight seams.*

## **About the event:**

Contestants had so much fun with this event last year that we're bringing it back! Using one jelly roll, contestants will sew strips to form a quilt top. Following the race, the finished product - quilt top - can be bound as is or finished in a variety of ways with borders and accent strips. The focus of this event is to see which contestant can finish sewing their strips as instructed in the least amount of time.

**Prizes:** The winner of the 2022 Louisa County Fair Quilt Race will take home a roll of batting donated by the Warm Company. Second and third place prizes will also be awarded. Second prize will be a \$50.00 gift certificate to a fabric store, yet to be decided. Third will be a \$50.00 gift certificate to OUR SHOP

**To Enter:** To enter this event, please contact Carol Foster by phone at 319-750-0059 or at Our Shop in downtown Columbus Junction. 106 Main Street, Suite 100

## **What to bring:**

- Sewing machine (may bring the machine of contestant's choice). Must be able to set stitch length
- Extension cord and power strip/surge protector
- Scissors
- Optional: pins (both straight pins and a couple of safety pins)
- Thread
- Optional: extra bobbin(s)

## **Rules for the Race:**

1. Jelly roll must be purchased at the contest; cost of the jelly roll will be \$30.
2. Participants must provide their own sewing machine. Please bring an extension cord and power strip/surge protector. Tables and chairs will be provided.
3. Prior to the start of the race, participants must all set their stitch length to a similar setting. Please be familiar with stitch length on your machine.
4. Participants cannot have assistance from anyone during the race
5. Upon completion, contestant must be able to hold up their "quilt" with no visible holes/gaps in the stitching.

## **Tips for success:**

- Bring a spare needle/needles
- Be sure to start with a full bobbin; having another bobbin wound and ready to roll is a good idea
- Listen to instructions on the day of the race. We'll be offering some suggestions
- Have fun!!!!
